FOR IMMEDIATE RELEASE

## **Youth Action Project - Cesar Chavez Day**

Youth Action Project of San Bernardino, CA will beautify the Provisional Accelerated Learning (PAL) Center, for the Muscoy community, on Saturday, April 3. The PAL center is located at 2450 Blake Street, San Bernardino, CA 92407-6104. People interested in volunteering should call the office at 909-888-7881 ext. 249. YAP brought together a multitude of volunteers, across the Inland Empire, who are committed to improving their community. Anthony Moreira, YAP office member, serves as the project manager for this year's Day of Service in honor of Cesar Chavez.

This is YAP's third year, organizing the Cesar Chavez Day of Service to provide the San Bernardino community with volunteer and beautification opportunities. "Once the project is complete the PAL Center can open its park gates once again to the community among them as families and children enjoy the park," said YAP director of operations Tremaine Williams. People interested in this volunteer opportunity should not hesitate to come and join us. Volunteers of all ages are encouraged to participate; minors should be accompanied by a parent or guardian.

Information on specific beautification plans will be provided and outlined at the Cesar Chavez event. YAP urges the public to volunteer or donate to Cesar Chavez Day of Service. Your participation will help make San Bernardino a better and brighter community. Please take some time to view our pdf presentation on the PAL Center and the benefits for sponsoring this event. For sponsorship and donation inquiries please email us to find out how you can participate.
